GOVERNMENT OF MYSORE
ELECTRICAL DEPARTMENT

OFFICE OF THE CHIEF ELECTRICAL ENGINEER

Bangalore, 7th May *19* 46.
(MYSORE, S. INDIA.)

SECRETARY TO GOVERNMENT Elec 8/5

RECEIVED ... Rem. No. 2136 Date 8/5/1946

The Secretary to Government,
Electrical Department, Bangalore.

Sir,

Frequency Conversion.

Disjoined from the main file D. No. 2116. as per the instructions of the Secy. dt. 27/5/46.

I have the honor to enclose herewith a draft Press Note intimating consumers of the decision arrived at during the Meeting on Friday the 3rd instant, and request you to kindly obtain and communicate ~~approval~~ orders of Government for the issue of the same.

I have the honor to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer. 7/5

MH-Alnr.

GOVERNMENT OF MYSORE. ELECTRICAL DEPARTMENT.

PRESS NOTE.

Frequency Conversion.

The Consumers of Electricity are hereby informed that it has been decided to convert supply frequency from 25 to 50 cycles in Davangere and north of Bhadravati area during 1947, and the rest of the State except Kolar Gold Fields during 1948-1951. The question of sharing the cost involved in the alteration to be effected in the consumers' equipment in service as on 30th April 1946, due to the conversion referred to above, is receiving the attention of Government. Therefore, it is ~~very~~ necessary that prospective consumers who take power from the department on or after 1st May 1946 should instal equipment as to be suitable for both 25 and 50-cycles. If they should instal equipment only suitable for 25-cycles, the entire cost of conversion when the supply frequency is altered in the area has to be borne by the consumer. Power supply by the Electrical Department on or after 1st May 1946 is being arranged on the above - specific understanding.

May be omitted. This is a matter for Govt to decide. Sd 27/5/46.

Chief Electrical Engineer
to the Government of Mysore.
